|------|-------------------|--------------------|
| I. | Suffer for Christ | I Peter 4: 1 – 6 |
| II. | Live for Christ | I Peter 4: 7 – 11 |
| III. | Glorify Christ | I Peter 4: 12 – 19 |

Truth #1: Suffering demolishes my past ties to sin and readies me for judgment.

Truth #2: Living with the end in sight motivates me to live for Christ now.

Truth #2: Even though we're not to be surprised that we suffer, we're enormously surprised that our sufferings actually bring glory to God.
