|------|---------------------------------|----------------|
| I. | Lavish Supply of Leaders | Ezra 8:1 – 20 |
| II. | Lavish Safety on Trip | Ezra 8:21 – 32 |
| III. | Lavish Sacrifices to God | Ezra 8:33 – 36 |

HEDGEHOG PRINCIPLE: When God moves in my heart and hands me a work to do, His gracious hand will be on me, and He will strengthen my hands to complete that work.

Truth #1: A supply of capable leaders in my life is evidence of God's gracious hand on my life.

Truth #2: Amid any scary situation there's no better thing to do than to pray and ask God's hand to provide safety.

Truth #3: When God's hand has lavishly provided for me, how can my hands not respond with lavish sacrifices to Him?

Notes:

When God hands me a work to do, He will lavishly supply my needs in the most unimaginable ways, BUT sometimes my hands will have to learn to take some unimaginable risks.
