

Lesson 20

March 9, 2011

- I. Partnership Nehemiah 3:1 – 32
- II. Plot Nehemiah 4:1 – 8
- III. Perseverance Nehemiah 4:9 – 23

Truth #1: The more I become a “next to” woman, the more progress I’ll see in God’s rebuilding of ruins.

Truth #2: Wherever rebuilding is happening, I can expect enemy attack...wrestles within or plots without.

Truth #3: Perseverance is rooted in knowing my God FRUSTRATES the work of the enemy & FIGHTS for me to finish well.
