|----------------------------------|-----------------|
| I. GOD'S GOODNESS STATED | Psalm 107:1-3 |
| II. GOD'S GOODNESS ILLUSTRATED | Psalm 107:4-32 |
| III. GOD'S GOODNESS DEMONSTRATED | Psalm 107:33-43 |

Truth #1: God's goodness is the foundation for shaping our entire view of Him.

Truth #2: God is good even in the tough times - whether I cause them or not!

Truth #3: God has good reasons for what He does - His answer to our suffering is Himself.

Notes:

Our understanding of God's goodness flips everything we know and have experienced on its head - God expresses His goodness in a way that seems to contradict our understanding.
