|------|----------------------|------------|
| I. | GIFTED AS A GIRL | Exodus 2 |
| II. | GIFTED TO LEAD WOMEN | Exodus 15 |
| III. | GIFT ENVY | Numbers 12 |

Truth #1: Little miracles I've seen in the past are to boost me when I can't see God moving in the present.

Truth #2: My gifts should sing out praises to Him, not to me.

Truth #3: I'm to exercise holy caution in how I speak about leaders God has put in my life.

Notes:

“Leadership is a lot like love: it's hard to define in words, but you know it when you see it.”
