Truth #1: God can move in the heart of any person to accomplish His will.

Truth #2: I can walk straight into my fears knowing the unseen hand of God is on each chapter of my life.

Truth #3: When God's gracious hand is on the work He's handed me to do, He will strengthen my hands to complete it.

Notes:

When God moves in my heart and hands me a work to do, He will have His gracious hand upon me and will strengthen my hands to complete the work.
