April 16, 2008

I. Israel's Antagonists: Joshua 11:1-5

Principle: Every battle is a spiritual battle, and pride blinds us to the truth of God.

II. Israel's Response: Joshua 11:6-23

Principle: God promises us His victory, but we must fight the battles, sometimes to utter exhaustion; but never without His rest.

III. Israel's Conquests: Joshua 12

Principle: If we obey God, we will always be able to look back at victory upon victory in our lives.
