

Lesson 20

March 21, 2012

- I. REMINDER: what I'm to do Titus 3:1–2
- II. REMEMBER: what He did Titus 3:3–11
- III. RECIPROCATE: for what they do Titus 3:12–15

Truth #1: When I live out radically different actions and reactions, my sin-sick culture gets a potent flavor of the gospel.

Truth #2: In order to show kindness and love to gross sinners, I'll need to remember God's kindness and love in saving me, a gross sinner.

Truth #3: It's such a runner's high when I'm eager to do good to God's servants who have taken such good care of me (or of others in His family).

Notes:

*A sin-sick society is watching my actions and reactions and will come to one of two possible conclusions:
"Christianity is a joke" OR "Hmmm, maybe I'll take a closer look at her God."*
