**Truth #1:** "Running is Flying" when I can truly thank God for my spiritual legacy, especially if it's hard to thank Him for my earthly one.

**Truth #2:** "Running is Flying" when I use the gift He's given me, not giving into my fears, but believing in the powerful God I know.

**Truth #3:** "Running is Flying" when I go into the dark places of fellow runners to refresh and help them.

Notes:

*Those He uses greatly, He bruises greatly.*
