

Outline for Romans 11:33-36

I. Man can't analyze God – v. 33

Principle: Only a high view of God is the accurate view of God.

II. Man can't add to God – v. 34-35

Principle: God does not need us, but we need Him.

III. Man must ascribe all to God and adore Him – v. 36

Principle: If all things are of God, then He deserves all the glory.
