

LESSON 16: PHILIPPIANS 4:14-23

CPC Women's Bible Study

- I. PAUL'S NEEDS MET Philippians 4:14-18
- II. ALL NEEDS MET Philippians 4:19-23

Truth #1: Any who become more like Christ because I shared in their needs will be credited as my treasure in heaven.

Truth #2: It's out of my poverty of spirit that my needs are met with His riches.

Notes:

"It is the constant temptation of discipleship to look at what we have - as if that is of final importance - and not at Whom we have. Our insufficiency is not the problem - that is a given of both the human and Christian condition; the problem is unbelief in the sufficiency of Christ." Frederick Dale Bruner
