Who is Worthy of Our Worship? - Dan Reid  
Revelation 4-5

1. What false gods do you see as most prevalent in our bay area culture? How does bowing to these false gods form us?
2. Read Revelation 4. What symbols in John's vision of future heaven most impress you?
3. How does this picture of worship help you better align your heart and mind under the one who is worthy to be worshipped?
4. Read Revelation 5. What evidence do we see that Christianity is unique from all other religions and moral teachings? What do the references "Lion" and "Lamb" tell us about the person we worship?
5. How does the worship of the one who is worthy answer the question, "Why Worship?" How does the worship of God form us in the right way?
6. Identify the false promises that come when we worship these modern idols instead of using them as tools to accomplish God's purposes. (*Work, Success, Technology and Devices, Image and Social Media, Sex and Pleasure pursuits, Money*)
7. Which of these are the biggest threats to form you and control you? What is a good next step for you to renounce this idol and realign under the one who is worthy of worship?
8. Talk about how you can encourage each other as worshippers. Pray for one other this week, and continue to talk about how to become the kind of worshippers God wants.
