How Then Shall We Worship - Dan Reid  
Romans 12:1

1. What has been the most meaningful insight you have gained in our 40 Days of Worship?
2. Read Romans 12:1. Why is the gospel a proper foundation for our worship practices? When you think about God's mercies, what are some of the things God has done FOR YOU, IN YOU, and wants to do THROUGH YOU?
3. What does it look like in 2019 to offer your body as living sacrifices?
4. What would be an important next step to make holiness a quality of your life? What body parts do you pay most attention to so they are used for instruments of righteousness instead of instruments of sin?
5. How does the thought that reasonable acts of service are part of your true and proper worship resonate with you? What does it look like for you to fulfil your purpose and take your worship into the neighborhoods?
6. Discuss the fears you have and the barriers you see to becoming more fully formed worshippers.
7. How can you encourage each other in your community group to grow as worshippers?
