WBS Kids Lesson #10
2 Samuel 7:18-29

Hook: What is the best promise anyone has ever made to you? Did they keep that promise? (Listen to answers and comment.) Today we're going to read how David prayed when God made David the best promise. EVER!!!

Book: King David lived a long time ago, way before Jesus was born. God made David a promise that was so good, so loving, so important, that David sat down and prayed to God: "I can't believe that the Great God of the universe who can do ANYTHING would be so kind to make this promise to me and my family!" Do you know what that promise was? God said that David's son Solomon would build a Temple where people could praise God together. And not only that, but that someone in David's family would be a Forever King. Did God keep that promise? YES! Much later, Jesus was born into David's family line! Jesus is the true King who died to forgive our sins and rose again so that we could live with Him forever!

Look: Worship God together by singing the song "Standing on the Promises of God." When the song is over, ask the kids if they know any other promise of God from the bible (He will be with us always, He will forgive our sins if we believe in Jesus, He loves us) Shout each promise out and lead the kids in singing the chorus of the song after each promise.

Took: I want to praise God because He always keeps His promises.
