COME AND SEE KBS - Lesson 5

The Woman at the Well John 4:1-42

COME:

Hey, kiddos. Let's COME and sit together. I have an interesting story to tell you today. Our story is about Jesus, of course, and again he does something very special.

SEE:

One day Jesus and his disciples were traveling through a town called Samaria. Jesus and his friends didn't fly in an airplane to Samaria. They didn't even drive in a car. Do you know how Jesus and his friends traveled? They walked. All that walking made them hungry and thirsty. When they got to Samria, Jesus sat down by a well to rest while his friends went to buy some food to eat.

While Jesus was sitting at the well, a Samaritan woman came to get some water from the well. Jesus asked the woman to get some water for him. In those days, men usually didn't talk to women and Jewish people like Jesus definitely wouldn't talk to people from Samaria. They didn't get along with each other. The Samaritan woman had done some things that made her feel ashamed, but Jesus knew that this woman needed him. Jesus told her if she drank of the water he could give her she would never be thirsty again. He wasn't talking about actual water, water. He was talking about the new life he could give her because he was the messiah. The one who had come to forgive her sins and give her life that lasts forever.

The woman was so excited! She went to tell her friends and neighbors about Jesus. When they heard about it they believed in Jesus, too!

DO:

(Bring a number of different water bottles, water containers, water glasses, etc. to class with you.) Here's what we're going to DO today. I have a few different water containers here with me today. Let's pass them around and take a look at them. Each one looks different on the outside but what matters is that there's nice cool water inside when we're thirsty. That sounds a lot like us, doesn't it. We come in all different shapes and sizes and look different on the outside. What matters is what we're filled with on the inside. We need to have the love of Jesus in our lives every day.

FOLLOW:

When Jesus lives in us, we can share Jesus' love with others. Then they can know Jesus, too and live forever with him in heaven.

MEMORY VERSE:

"Whoever hears and believes my word has eternal life." John 5:24

PRAYER:

Dear Jesus, When we COME to you, we SEE that you are the one true God sent to be our Savior. You love us very much. Help us DO things that please you. Help us to FOLLOW you everyday. AMEN

COME AND SEE KBS - Lesson 5
The Woman at the Well John 4:1-42

Jesus loves everyone.

"Whoever hears and believes my word has eternal life." John 5:24

During Bible Study, your kids made a water container to help them remember the story of the Woman at the Well. Sometime during the week, let your kids play with the container in the bath. Remind them of the story they heard about Jesus asking a Samaritan woman for water. Jesus told the woman that he had water that would keep her from ever being thirsty again. She was a little confused, and asked where she could get such amazing water. Jesus told her that he was the answer to what she needed. Jesus is the answer to what we need!

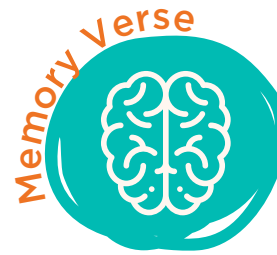

Dear Jesus, When we COME to you, we SEE that you are the one true God sent to be our Savior. You love everyone, no matter what. You love us very much. Help us DO things that please you. Help us to FOLLOW you everyday. AMEN
