

4. Read **V12 – 16**.

a) Captured in Peter's question in **V12**, what was the crowd's error in thinking? How does Peter's response in **V16** declare an important truth to counter that thinking?

b) What actions does Peter attribute to the onlookers with respect to the treatment of **Jesus** and what actions does he attribute to **God (V13-15)**?

5. How does Peter explain **Jesus'** suffering in **V17-18**? When have you seen **God** use people, acting in ignorance, to fulfill His purposes, maybe even unbelievers in your own life?

6. What is the hope of a repentant sinner based on **V19-21** and how might that lead to times of refreshment from the **Lord**? How have you experienced refreshment through repentance?

7. *Challenge:* How do Moses and the prophets point to **Jesus** from **V22-26**? See **Genesis 12:3** for **God's** promise to Abraham.

8. According to **Acts 4:1-4**, what was Peter and John's message, and how did the religious leaders receive it in contrast to many of the onlookers?

### 9. REFLECT ON THE WORDS OF JESUS

In **Luke 17:19**, **Jesus** told a leper who was healed, "**Rise and go; your faith has made you well.**" Consider how the healing experienced by the lame man and the leper is available to those who have faith in **Jesus** and what wounds of yours or another require the healing touch of **Jesus**. Come before the **Lord** interceding for healing He has yet to complete or in praise for healing He has accomplished.
