Dan Reid

1. Recall last week's discussion on the difference of Biblical freedom, and today's review of that. How is the Biblical view of freedom different from American freedom, and how does this change the way you understand Galatians 5:1?

3. On v. 5 Dan said that “There is nothing a Christian can do to transform themselves.” What do you think of this?

4. How does faith in God’s transforming us, allow us to be content?
