Mark 10:13-16

1. What does Mark 10:13-16 tell us about who Jesus cares about? How does this look different from what the world cares about?
2. Talk about an experience you had of an environment with unconditional love? How did it affect you?
3. Are there any ways in which you “unintentionally” exclude people?
4. Which people are hardest for you to love?
5. Jesus calls us to serve those he cares about. Talk about ways that you could bring the least of these closer to God through serving them.
