Kevin Sneed

Mark 14:53-72

1. Kevin quoted that, “Jesus’ faithfulness covers our failure.” How have you personally experienced this?
2. The apostle Peter “followed Jesus at a distance” (v.54) as the Lord was being taken before the high officials and teachers of the law. Have you followed Jesus at a distance? Do we follow Him in a costly manner or in a safe place?
3. Even though Peter believed in and loved Jesus, he faltered in his faith. How have you denied or not defended your faith?
4. What would it look like for you to wrestle with Jesus, and continue to follow Him even when it’s uncomfortable or inconvenient?
5. “Our ordinary life is the trial that’s being played out” (ex: social status, pressure in the workplace, relationships). What trials are you experiencing that makes it challenging to follow Christ? How can this group be praying for you in this?
6. During the sermon, it was shared that “Jesus is the new temple”. How have you experienced the presence of God?
7. The person and identity of Jesus was explained as, “The Messiah, Blessed One” (v. 61) How will you respond to Jesus’ identity?
